

End of the Trail Classic 2008

PDGA "B tier" Steady Ed Tournament Series Event

Last years success with this event has catapulted Visalia in to the DGA Steady Ed Series, which only targeted 7 events this year.

The Visalia Disc Golf crew is known for going above and beyond the average event, which was a big factor in us being chosen to be a part of this coveted series.

Steady Ed is the founder of Disc Golf so it's an exciting step for Visalia Disc Golf to be a part of the series. With the support of our event advertisers, tee sign advertisers, and Mooney Grove park personnel, our events have run smooth over the years. Help keep Visalia's event the best in the Central Valley. We aim to make this event all participants will remember.
